

Carshalton Carnival

**Rotary Club of Carshalton
Wallington & Carshalton Round Table**

APPLICATION FOR CARNIVAL QUEEN'S ATTENDANT

On behalf of Carshalton Carnival Committee I invite you to apply to join the reserve list for the Carnival Queen's attendant, and to join her float in the annual parade.

Please Note

- You must have parental consent to join the float.
- Joining the list is not a guarantee of a place on the float.

The annual parade is a splendidly noisy and colourful event as it weaves its way through the streets of Carshalton before arriving at the Carnival arena in Carshalton Park, Ruskin Road. Carnival is a day when the local community come out and celebrate, and you can be part of it!

Girls may only join the float once they reach the age of 12, but younger girls may be added to the list, and will be contacted when (and if) there is a place available for them. The dress code for the girls is a full length white bridesmaid or evening type dress, together with a white cardigan should it be a cold day. A dress allowance is given on the day to each attendant. The day starts at 9.30 when the girls assemble, dressed and ready to go. They will each be given a circlet to wear in their hair, a posy and a sash. We then drive to the assembly point (near St Helier), via Carshalton Park and through the area as a general advert for the Carnival.

The Mayor, Carnival Chairman, Round Table Chairman, Ladies Circle Chairman, Rotary President and Inner Wheel President make up the judging committee who judge all the floats, and choose next year's Queen from the attendants (plus a runner up).

When the parade leaves St Helier, we drive through Carshalton to the park with the girls waving and smiling at the spectators on the route. When we get to the park we make a circuit of the parade ring, park up at the back of the park and then walk straight down to the parade ring for the crowning of the Queen. The girls will also be presented with certificates and their cheques. Next year's Queen and the runner up will also be announced. Girls can then be collected from the park by their parents.

Yes please, I wish to be added to the reserve list for Carnival Queen's Attendant
