

Wallington & Carshalton Round Table

www.roundtable166.org.uk

Wallington & Carshalton Round Table is part of the Carshalton Carnival committee and is a social club for busy, young professionals in the local area. Round Table offers a wide variety of social events each month and we also contribute to the local community through local Charity Events.

Round Table provides you with the opportunity to meet new people in the area and membership enables you to take part in a vast array of new and interesting worthwhile activities – one of which is our annual charity fireworks display in Carshalton Park each November.

Round Table is open for membership of males between the ages of 18 and 45. Visitors and potential members will always be made particularly welcome.

If you would like to know more about Round Table please contact us on 020 8647 5166 or visit our website www.roundtable166.org.uk.

Enjoy the Carnival!
